Roofing

THE INDUSTRY'S VOICE

Media Kit
2021

WWW.ROOFINGMAGAZINE.COM

Roofing

Roofing investigates, analyzes, and explores how to properly design, install, and maintain a roof system. The magazine provides insight on the industry from a variety of perspectives in a format that feels like having a conversation with your peers. Through the voices of professionals in the field, *Roofing's* editorial delivers an educational—and sometimes colorful—magazine, ensuring readers will look forward to studying every page.

WHY SHOULD YOU ADVERTISE?

- Reach 40,000 roofing contractors, architects, roof consultants, building owners, and facility managers across the country; our diverse readership is unlike any other national roofing publication.
- The editorial covers the industry from a national perspective, and it also delves into specific regional concerns, covering the initiatives of national, regional, and local industry associations.
- Best practices for overcoming roofing challenges are detailed in easy-to-read and easy-to-learn-from formats; this means subscribers will read the magazine.
- The beautiful design ensures readers will pick it up, and the information inside guarantees they won't put it down.
- The cost-effective rates offer real value.

THE MAGAZINE

IN EVERY ISSUE

NEW & NOTABLE

Review the latest news and relevant information from industry organizations and manufacturers who specialize in roofing innovations.

ONLINE Receive monthly news updates through the *Roofing* e-newsletter, which can be subscribed to on our website, www.roofingmagazine.com.

MATERIALS & GADGETS

Discover cutting-edge products, tools and equipment designed to help deliver a successful roofing project.

ONLINE Receive monthly product updates through the *Roofing* e-newsletter, which can be subscribed to on our website, www.roofingmagazine.com.

To include a product in our Materials & Gadgets section, send a product release with a high-resolution JPG photo to Editor in Chief Chris King at chris@roofingmagazine.com.

ROOFERS' CHOICE

The product, tool or piece of equipment that receives the highest number of leads from a previous issue will be further analyzed in a one-page report, showcasing the product's capabilities and benefits.

TECH TOOLS

Check out the latest educational materials and online technology in the form of websites, apps, videos, catalogs and ongoing education options, including CEU courses.

COLUMNS

BUSINESS SENSE

Read about codes and standards, legislation, insurance and legal issues affecting the roofing industry. Also find information to help you operate your business.

DETAILS

Advice from the experts on executing architectural details in the field, from the commonplace to the unusual.

SAFETY

There is no higher priority than safety. Get expert advice, receive ideas for training, and learn about OSHA-promulgated regulations.

TECH POINT

A roofing industry expert shares insight into technical challenges and opportunities in the roofing market.

ENVIRONMENTAL TRENDS

The green-building movement continues to affect roofing. Learn about trends and strategies you can take advantage of now.

COLUMNS

RAISE THE ROOF

Roofing's editor in chief shares insights on the industry, market trends and personal observations.

RETROFIT ROOFING

Experts offer advice and explore key details involved with all types of re-roofing projects, including historic restoration projects.

FEATURES

FEATURED PROJECTS

Each issue will highlight a specific type of building and showcase the innovative roofs that top these buildings across the country. Detailed case studies discuss the design goals and key installation challenges. See "2020 Editorial Calendar" for the Featured Projects schedule.

RESIDENTIAL

Unique, interesting and challenging residential projects are covered, including extremely custom homes with extremely steep slopes, living roofs, and renewable power systems. Learn from professionals who overcame the obstacles posed by new construction, retrofit and restoration projects.

COOL ROOFING

Learn about vegetated roofs, solar power, ventilation, insulation, reflective membranes and more through case studies and expert-written research articles.

ROOFTOP LIVING

More and more roofs are getting converted into usable living space. Find out how the roofing industry is capitalizing on this trend and helping homeowners, building owners and businesses make the most out of their rooftop assets.

FROM THE HUTCHINSON FILES

Thomas W. Hutchinson, AIA, FRCI, RRC, CSI, RRP, principal of Hutchinson Design Group Ltd., Barrington, Ill., and a member of Roofing's editorial advisory board, shares his in-the-field experiences in a regular series of articles.

SPOTLIGHT

Meet a member of the roofing industry and learn about how he or she has contributed to the industry and/or his/her community.
